2. [redacted] Comment. The information on the occupation of the barracks installations in Rathenow checks with the assumed distribution of the units of the 6th Arty Div and headquarters units of the IV Arty Corps. Although the information does not indicate whether the barracks installations were occupied to capacity on 6 March, the units of the corps and the division can, at this time, be carried in their quarters, according to reports on transportation and the preceding report from Rathenow in late February.
